Mulholland Books. Paperback. Condition: New. 368 pages. Acclaimed novelist Austin Grossman reimagines the ultimate American antihero. Richard Milhous Nixon lived one of the most improbable lives of the twentieth century. Our thirty-seventh president's political career spanned the button-down fifties, the Mad Men sixties, and the turbulent seventies. He faced down the Russians, the Chinese, and ultimately his own government. The man went from political mastermind to a national joke, sobbing in the Oval Office, leaving us with one burning question: how could he have lost it all? Here for the first time is the tale told in his own words: the terrifying supernatural secret he stumbled upon as a young man, and the truth behind the Cold War. What if the man we call our worst president was, in truth, our greatest? Combining Lovecraftian suspense and international intrigue, *Crooked* is a masterwork of alternative history, equal parts mesmerizing character study and nail-biting Faustian thriller. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
