Universe Publishing(NY), United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. Riding the coat-?tails? of Bow the Dog is Pet the Puppy, the highly anticipated second book from Artlist Collection that is chock-full of puppies at their licking, wet-nosed, ear-flopping best. They are photographed at ?strange ratios? against a crisp white background, which produces adorably enlarged heads, giving these pups an intimacy that distinguishes them from those of other puppy photography books. These contagiously cute cuddly canines caught in quintessential puppy moments are irresistible, and their unusual photographic treatment causes them to fall practically right off the page and into your lap. Pet the Puppy showcases a wide array of puppies arranged by pose: sleeping, smiling, dreaming, rolling over, and laughing, to name a few. Whimsical text pays homage to puppyhood at its hilarious and affectionate best. Eclectic, original, charmingly off-kilter, and filled with hundreds of addictively sweet puppies, the pages of Pet the Puppy beg to be looked at over and over and make this one-of-a-kind book the perfect gift for every indulgent owner and unabashed dog lover.
