A BUTTERFLY WITHOUT WINGS (PAPERBACK)

Pants on Fire Press, United States, 2013. Paperback. Condition: New. Natalia Nesterova (illustrator). Language: English . Brand New Book ***** Print on Demand *****.A Butterfly Without Wings would not exist without my children. It began as their bedtime story and quickly became part of their nighttime routine. It has been years since those nights, but I can still hear their small voices speaking the caterpillar s lines - Are you talking to me? Are you talking to me? I am extremely delighted to share this story, and I hope you and your children find years of delight in it. - David M. F. Powers When a caterpillar spots a green leaf waving from the top of a tree, he does not think twice about the dangers lurking about. Instead, he comes up with a plan to trick those who would otherwise eat him. A Butterfly Without Wings is the charming story of a hungry, self-confident, and determined caterpillar that refuses to let obstacles stop him from reaching for his goal. The caterpillar proves that if you believe in yourself and set your mind to it, you can accomplish anything. With snappy dialogue, humor, and perfect pacing, award-winning author David M. F. Powers captures the spirit of determination and self-confidence. Powers spirited text is perfectly paired with artist Natalia s colorful and very lively artwork. Parents and their children will love reading and re-reading this celebration of self confidence.
