Createspace, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. After officially being diagnosed with Schizophrenia Travis talks about trying to repair all of the damage that was caused in his social relationships because of his psychotic episodes. Travis is now taking the right medications and trying to limit the number of voices, hallucinations, and delusions that he has. Travis is trying to repair the friendships and relationships in his life. It is an ongoing process and one that takes time. Travis shares an heart warming apology to his friends and family in this book for all of the damage that was done to the relationships he had with them when experiencing psychotic breaks. Travis shares how Zyprexa is helping him to control and limit the hallucinations. Travis wants the reader to understand what hearing voices is like and he talks very openly about it in this great book. This book is highly educational and will give the reader a small glimpse at what having Schizophrenia might be like.
