Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: Bengali . Brand New Book ***** Print on Demand *****. We inherit the boxes. From family, from society. It s so cozy inside! We don't even realize that it s a prison. The cycles of eating-bathing-sleeping-reproducing goes on. Boxed! Life of a domestic animal. The life outside the box, is bright. True colors can be seen. Survival is tough but the living is pleasing. At the end of the perilous road while living outside the box, there is an achievement. A great one. This book contains not stories neither articles. A different perspective of looking at the country, society, religion, relations and life. Written by someone who tries to live out of the box. Written for those who want to think out of the box.
