Brand New Book ***** Print on Demand *****.Excerpt from Educational Toys: Consisting Chiefly of Coping-Saw Problems for Children in the School and the Home The purpose in sending out this collection of toys is to promote among children a love for educational occupation. This book is intended to be of real service to parents and teachers who are intrusted with the arduous responsibility of child-training. It is with this object in view that the directions, drawings and photographs have been prepared. The experience of almost twenty years as a teacher has convinced the author that only when the child approaches subject-matter with interest and enthusiasm can the best results be obtained. Giving a child an opportunity to make things, arouses his interest; therefore, learning by doing is a most effective method in gaining educational ends. Toy-making incorporates this method, with several vital elements added. It takes into account the child's view-point, his proclivities and his emotions. It is a form of activity that appeals strongly to his fancy, has a direct relation to his environments, and is within the range of his mental...
