

Utopia of Usurers (Paperback)

By G K Chesterton

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Utopia of Usurers is a classic collection of political essays which comment upon the conditions of Great Britain by G.K. Chesterton. What is it that angers Chesterton and fills him with grim forebodings for the future of his island? Many things and, especially, many persons. But chiefly the capitalists, the upper middle class, the usurers, or however they be termed, and the fear of the servile state, the state in which art and literature and science and efficiency and morality and everything else that has value in the eyes of mortal man become the humble servants of the money-changers, in short, the utopia of usurers. --The Dial, 1918.
