Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Reuben Archer Torrey's inspiring work on God's power to work miracles in our daily lives is presented here in large print, that all readers may comprehend and appreciate its lessons. The question of God's presence in our everyday lives is one which frequently occurs in the minds of Christians. Does He still perform healing miracles upon the faithful on Earth? How does the Lord make himself known among us? Is His presence sometimes obvious, or must we always look closer to see the subtle works of God around us? Although brief, this work of R. A. Torrey seeks to answer these questions definitively and wisely, and throughout the author carries a profound tone that few live to acquire. By the time this book was published in 1924, Torrey was already in his late sixties, and lifetime of achievement as a writer, a preacher, and above all a Christian lay behind him; his rich educative wisdom was thus appreciated by many believers. Today, many of Torrey's finest writings are again finding their way to Christians wishing for new perspectives upon matters of faith. Divine Healing, which cites scripture to aid its explanations of the properties of healing miracles described in the Bible, retains both its relevance and poignancy in the modern day.
