## REGAINING LIFE S WINDING TRAIL (HARDBACK)

DOWNLOAD

Austin Macauley Publishers, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Dr Henry Disney s Regaining Life s Winding Tail is, in the author s own words, a rambling set of anecdotes and poetic reflections on (his) unusual life . He begins life as a shy child relishing in nature s gifts. After a successful stint in the army, Disney pursues his love of natural history to become a research entomologist. His work takes him to places around the world, young family and loving wife in tow. He becomes a respected and accomplished scientist with a vast number of publications. He undertakes his work with such zeal that he surely earns the title the king of scuttle flies . Where others fail, Disney s scientific knowledge and strong faith live harmoniously side by side. Disney s use of poetry and the collection of his poems included in this autobiographical musing bridge the supposed gulf between science and the arts.
