JESSICA KINGSLEY PUBLISHERS, United Kingdom, 1998. Paperback. Condition: New. Language: English . Brand New Book. The sequel to the powerful international bestseller Nobody Nowhere, Somebody Somewhere takes us deeper into Donna Williams Journey into the world. Her war against it is finally over, but the pieces of her life lie scattered around her. Donna recounts the often funny, sometimes harrowing awakenings arising from sessions with a cognitive psychologist, who helps her understand what she has been through and make sense of her sensory problems, information overload and shutdowns . We travel with her in her breakthroughs in working with autistic children and other adults like herself, as she finally finds a way of belonging and simply being among others, without selling out who she really is. Somebody Somewhere continues Donna s story in her uniquely poignant yet humorous voice.
