

Self-scoring Emotional Intelligence Tests (Paperback)

By Mark Daniel

Sterling Publishing Co Inc, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Ever since psychologist Daniel Goleman published his landmark book Emotional Intelligence in 1995, psychology has shifted from measuring cold intellect alone to evaluating what is known as the Emotional Quotient. And your EQ may be even more important than your IQ for determining success. This compilation of tests will analyze your emotional intelligence from a variety of perspectives, help you pinpoint your strengths and weaknesses, and reveal aspects of your personality you may not have realized existed. The booklet is divided into two sections, with the first part containing eight tests aimed at measuring such qualities as self-image, independence, leadership, relationships, and job satisfaction. The second section contains a key for interpreting the scores, along with insightful explanations about your emotional reactions.
