Skyhorse. 1 Cloth(s), 2013. hard. Book Condition: New. Across Europe during World War II, local populations resisted occupation by German and Italian forces including such tactics as non-cooperation, disinformation, sabotage, espionage, armed opposition, and full-scale partisan warfare and these efforts are often an essential part of the experience and the national memory of those countries that were under Axis control. This survey collects writings from experts in particular resistance movements from Scandinavia to Greece, and from France to Russia, providing assessments of their effectiveness and the Axis reaction, while editors Philip Cooke and Ben Shepherd highlight the many differences and similarities between them. 258.
