Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Sedgwick County Kansas: A Church and Community Survey This pamphlet is one of a series which present the results of a Church Survey in the field of Town and Country, begun under the auspices of the Interchurch World Movement, and completed by the Committee on Social and Religious Surveys. From among the one thousand county surveys which the Interchurch had undertaken and in which considerable progress had been made, a limited number were selected for completion on an intensive plan, in the belief that these would throw light upon some of the more important problems of church and community life. The selection was made with great care. Certain fundamental factors were examined in all of the counties in which a survey had been undertaken, so that outstanding abnormalities might be avoided, or proper account taken of them. Agricultural, educational and religious officials were consulted. State and Federal census reports studied. The counties selected are so distributed over the United States as to afford fairly typical specimens of Town and Country Survey for all the great regions into which the country is divided. It must be recognized, however, that no county can be completely typical of any larger area in respect to every situation. These studies have been made from the point of view of the church recognizing, however, that economic and social conditions affect church life. The community has, therefore, been studied as well as the church. Communities have been located and defined, their economic background investigated, their population analyzed. Those factors which enter into the make-up of the social mind, such as social life, public opinion, leadership, means of communication, social affiliations and community...
