

Budwig Cancer Upchar: Cancer Is Weak, Vulnerable and Easily Curable, This Book Teaches You How! (Paperback)

Filesize: 1.54 MB

Reviews

This composed book is fantastic. it absolutely was writtern quite properly and helpful. I am very happy to explain how this is the very best ebook i actually have read during my own existence and may be he best pdf for actually.

(Prof. Elody D'Amore)

BUDWIG CANCER UPCHAR: CANCER IS WEAK, VULNERABLE AND EASILY CURABLE, THIS BOOK TEACHES YOU HOW! (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: Hindi . Brand New Book ***** Print on Demand *****. ***** A must have book for every cancer patient ***** This book provides both an introduction of Dr. Budwig s cancer research and treatment. Johanna Budwig (1908-2003) who was nominated for the Nobel Prize seven times was one of Germany s leading scientists of the 20th Century, a biochemist and Cancer specialist with a special interest in essential fats. Otto Warburg proved that prime cause of cancer oxygen-deficiency in the cells. In absence of oxygen cells ferment glucose to produce energy, lactic acid is formed as a byproduct of fermentation. He postulated that sulfur containing protein and some unknown fat is required to attract oxygen in the cell. In 1951 Dr. Budwig developed Paper Chromatography to identify fats. With this technique she proved that electron rich highly unsaturated Linoleic and Linolenic fatty acids were the undiscovered mysterious decisive fats in respiratory enzyme function that Otto Warburg had been unable to find. She studied the electromagnetic function of pi-electrons of the linolenic acid in the membranes of the microstructure of protoplasm, for all nerve function, secretions, mitosis, as well as cell break-down. This immediately caused lot of excitement in the scientific community. New doors could open in Cancer research. Hydrogenated fats, including all Trans fatty acids were proved as respiratory poisons. Then Budwig decided to have human trials and gave flaxseed oil and quark to cancer patients. After three months, the patients began to improve in health and strength, the yellow green substance in their blood began to disappear, tumors gradually receded and at the same time the nutrients began to rise. This way Dr. Budwig had found a cure for cancer. It was a great victory and first milestone in the...
