CLOSED EYES OF SADNESS (PAPERBACK)

iUniverse, United States, 2012. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. Take a Dark ride, through the self reflective writings of Bryan Eric Solomon, that gets brighter as your interests sparks your minds. You can feel what he felt, with in every single word, like a journey to place where, maybe you didn't plan on going. Characters are written out, like the best Rembrandt painting, with words that might resemble Poe, or even some of the best beat poets, like Kerouac. When asked, it took him one week to write an entire book of poems, the book being this one, Closed eyes of Sadness. So, sit down strap your arms down, fasten your heels, brace yourself, and hope, in some cases, well you never feel this way.
