

Starchild: The Human Meanings of the Big Bang Cosmos

By Don Lago

Plain View Press, United States, 2009. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.Creation stories are the foundation of human identity. Over the last century science has discovered a dramatic new creation story, a universe that began with a Big Bang and that has evolved into extraordinary order, into galaxies, planets, life, and brains. This new creation story gives human life many new meanings. Our bodies embody all of cosmic evolution. In us the chaotic energies of the Big Bang are now weaving cells; in us a spiral galaxy has become spiral DNA; through us a blind universe can recognize itself at last. With a deep sense of wonder, with the personal, poetic style of literary nature writing, Starchild explores the Big Bang cosmos, and the lives of the people who discovered it. Starchild turns facts and abstract theories into something real, personal, and powerful; it turns ideas into identity. When seen in the context of an immense, evolving cosmos, life becomes a rare gift. Starchild celebrates the universe's long journey into life. I love your writing. How wonderful it is to have imagination and to see into...
