The Federal Plan for Meteorological Services and Supporting Research: Fiscal Year 2015 (Color) (Paperback)

By Office of the Federal Coordinator for Me

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I am pleased to report that today our agencies are continuing to work together toward a common goal in a number of important areas. In 2014, we reactivated the Committee for Operational Environmental Satellites to improve interagency communication and coordination of matters regarding the use of environmental satellites. In 2014 we began and in 2015 will complete a midcourse assessment of progress in achieving our strategic research plan for tropical cyclones. We will continue to plan, organize, and host the Interdepartmental Hurricane Conference to share information and prepare for next year s hurricane season, including publishing the 2015 National Hurricane Operations Plan. I am also eager to see the proof of concept system under development for dual-polarization phased array radar and the possibility to move forward with a full-scale Advanced Technology Demonstrator for Multifunction Phased Array Radar (MPAR). MPAR represents a potential breakthrough in economy across a number of radar applications. This is also an exciting time for discovering, acquiring, and employing new data streams from satellites, networks of observing networks across the country, and unmanned aerial systems-all of which our interagency...
