Excerpt from Rural Health Care: Special Needs of Our Rural Communities: Hearing Before a Subcommittee of the Committee on Appropriations, United States Senate, One Hundred Third Congress, First Session; Special Hearing There needs to be a change in the mentality of medicine alleviating turf. Frequently family physicians are informed that they should not be performing these types of procedures because of their degree of training. Etc. For example, 1) Or. Louis weinstein, Chairman, Dept. Of OS - Gyn, Medical College of Ohio in Toledo, was a speaker at the annual Perinatology Conference in Ashland, Oregon. July 1993. He said and I quote, No one should be delivering babies if they are not delivering greater than 200 per year and the standard of level of care is no longer your community but the best care available in the nation. He further stated that if this was not followed, a plaintiff s attorney would be knocking on the door and he happened to be married to one. If we followed this thought process. We would be scared into not delivering babies anymore and people would then have a 300 mile travel distance to get their obstetric care.
