Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. The Necessity of Atheism is a classic religious essay by the great English poet, Percy Shelley. A close examination of the validity of the proofs adduced to support any proposition is the only secure way of attaining truth, on the advantages of which it is unnecessary to descant: our knowledge of the existence, of a Deity is a subject of such importance that it cannot be too minutely investigated; in consequence of this conviction we proceed briefly and impartially to examine the proofs which have been adduced. It is necessary first to consider the nature of belief.
