Reviews

A brand new e book with an all new standpoint. it was actually writtern very properly and beneficial. I am just very easily will get a satisfaction of studying a composed publication.

(Esperanza Pollich)

THE CREATURE FROM THE SEVENTH GRADE: BOY OR BEAST

Puffin Books, United States, 2013. Paperback. Book Condition: New. Andy Rash (illustrator). Reprint. 196 x 127 mm. Language: English . Brand New Book. From award-winning actor-writer-producer-director Bob Balaban comes a hilarious new series, perfect for fans of Diary of a Wimpy Kid. If popularity were a score between one and ten, Charlie Drinkwater would be a zero. He's nerdy and unathletic, and to top it all off, he's suddenly morphed into a giant mutant sea creature sometime between first-period science class and third-period English. Now Charlie's two best friends are treating him like a science project, there's a petition to get him kicked out of school, the cool kids are recruiting him for their clique, and for some reason his parents are acting like everything is perfectly normal. What's a slimy, scaly, seventh-grade creature to do?.
