Their ruler, Broomrider, believes he can restore the ancient magical powers of cats. The army commander, Hagshadow, is more practical and trains the cats to fight when the village is attacked by the Rats from the East, while Spellbinder, the female leader, has a gift of healing and is a peacemaker. Most cats are loyal followers of Broomrider but he has opponents, especially Juno, the attractive young newcomer who scoffs at the limits he sets for the females. Her power of attraction inspires devotion yet creates conflict in the village. The story tells how cats balance their domestic lives and their secret, free adventures. As the ever-perceptive Miss Braithwaite says, One must never pry into the private life of a cat.
