THE HOME SCHOOL: OR HINTS ON HOME EDUCATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Home School: Or Hints on Home Education Burns, in his memorable Cottar s Saturday Night, has described, with equal truth and beauty, that pious family life, which, in his days, was perhaps more general than it is now among the peasant homes of Scotland. I may be pardoned for quoting one of the well-known stanzas: - The cheerfu supper done, wi serious face Tbey round the ingle form a circle wide; The sire tome o er, wi patriarchal grace. The big ha Bible, ance his father s pride; His bonnet reverently is laid aside, His lyart haflets weirin thin and bare; Those strains that once did sweet in Zion glide, He wales a portion with judicious care. And, Let us worship God, he say* with solemn air. But while such domestic piety is still cultivated in our country generally more than elsewhere on earth, it is, I fear, in some danger of suffering from the present state and habits of society. The severe toil, late and early, in the workshop or counting-house; the absorbing love of gain; the ceaseless movement; the constant bustle; the intense excitement, sadly interfere with the earnest and quiet duties of the family. Life is becoming so public, that meetings and committees, minutes and resolutions about everything under the sun, are apt to rob the family circle, too frequently, of those who ought to be its beat and most useful members.
