

Ventures and Voyages (Classic Reprint) (Paperback)

By Edward Keble Chatterton

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ventures and Voyages In the years when sailing Ships were of two or three hundred tons, and dangers created a common denominator, the intimacy of ship life was something undisguisable; and that notwithstanding the sharp punishments - the severe inhuman penalties - which the captain or master would employ to uphold his authority. At least he was able to know the characters and dispositions of his men, as is possible only where bulkheads are non-existent or few and fighting was at close quarters. It will be our aim in this volume to present, to revive, the pictures of the past, and to observe the mistakes and follies on both Sides. Primarily, then, we look forward to some stirring sea stories of actual historical truth but in secondary aim we have our Observation keenly adjusted for those intricacies of shipboard life which usually escape the attention of historians, yet are requisite for any adequate conception of the subject. Reviews

This book is definitely worth getting. It usually will not price too much. Its been printed in an extremely simple way in fact it is only right after i finished reading this publication where basically altered me, modify the way i think.

-- **Avery Daugherty**

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

-- **Nannie Lindgren Jr.**
