Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from American Political History, 1763-1876, Vol. 1 of 2 These volumes have been prepared to present in more convenient form for present reference the series of articles on American Political History, contributed to Lalor s Cyclopaedia of Political Science, Political Economy, and Political History, by the late Professor Alexander Johnston. Lalor s Cyclopaedia has, since its first publication a quarter of a century back, been recognized by teachers and students as the most valuable compendium of information on the various subject matters considered. The task of preparing the whole series of articles relating to the various divisions of the political history of the United States was placed by the editors in the hands of one contributor, Professor Alexander Johnston, of Princeton University. During the quarter of the century that has elapsed since the first publication of these papers, they have been constantly referred to and drawn upon by the teachers and students of the subject. The articles, while presented under different headings, are characterized by a specific unity of purpose and of plan. The series taken together presents a substantially complete outline of the political history of the Republic, while certain of the more important phases of this history are presented with a detail of information and of reference that it would be difficult to find within the same compass elsewhere. The untimely death of Professor Johnston in 1889, at the early age of forty, was a serious loss to historical study and teaching in America. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses...
