4fun Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I found it quite erotic as I rolled the black stockings up my legs. 21-year-old Raymond's middle class life changes when he becomes a manager at Charter's Bank and meets a vixen named Vivienne. Aside from being young and gorgeous, she also happens to be the daughter of Sir Eugene - the chairman of Charter's Bank himself. Things go so well for the lovebirds that even Vivienne's parents approve of their romantic affair. Before you know it, they get married. But vixen Vivienne might just be too good to be true, and it's not long before Raymond realizes there is something very strange about his new wife. Something so strange that it completely messes up his mind. Does she really want him to wear that? Does she really want him to do that - with another man present? Raymond just can't help it, and he is quickly and deeply drawn into Vivienne's unconventional appetites. Soon he is doing - and enjoying - things he never could have imagined. He's no longer sure what's wrong from right! *Bi Romance for mature audiences.
