

Theory And Practice Of Counseling And Psychotherapy (Paperback)

Filesize: 2.2 MB

Reviews

This ebook may be worth a go through, and superior to other. I could comprehend every thing out of this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Damien Schuster PhD)

Cengage Learning, Inc, United States, 2012. Paperback. Condition: New. 9th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Incorporating the thinking, feeling, and behaving dimensions of human experience, the ninth edition of Corey s best-selling text offers an easy-to-understand text that helps students compare and contrast the therapeutic models expressed in counseling theories. Corey introduces students to the major theories (psychoanalytic, Adlerian, existential, person-centered, Gestalt, reality, behavior, cognitive-behavior, family systems, feminist, and postmodern approaches) and demonstrates how each theory can be applied to a single case (Stan). With his trademark style, he shows students how to apply those theories in practice, and helps them learn to integrate the theories into an individualized counseling style. This book is the center of a suite of products that includes a revised student manual, Case Approach to Counseling and Psychotherapy (2013), The Art of Integrative Counseling (2013) and media resources like the DVDs titled DVD for Theory and Practice of Counseling and Psychotherapy: The Case of Stan and Lecturettes , and DVD for Integrative Counseling: The Case of Ruth and Lecturettes , which features the same videos as the Integrative Counseling CD-ROM redesigned for today s classrooms.
