

Tuck Frump (F*** Trump) (Paperback)

By XX

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the return of XX. After a small publication run in the early part of the 21st century, XX was quiet. His art style books Dogsick, How I Learned To Love The Patriot Act, This Book Is Not A Terrorist, and Fuck Bush were part of a series he called Afternoon Books, which meant that the books were designed to hold one s attention for a short time-be more of a representation and piece of art than a book. Like Fuck Bush, Tuck Frump is an expressionist piece of literary drivel meant to show one s feelings about the current political climate. Carry it around, show it to people, read it on the subway, etc. Let everyone see it.
