Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Basket Maker HE fruition of thought is expression. Thought along the lines of manual training is susceptible of expression in many ways and through many mediums. The expression of thought through wood and iron necessitates a more or less elaborate equipment of tools, and for this reason those mediums of expression are denied younger pupils. But the expression of thought through basketry, requires almost no tools (a knife and scratch-awl), has variety as to form and color and almost unlimited possibilities in design. It is my aim in this booklet to give in simple English and with illustrations which may be comprehended by the youngest pupil, the results of my thought and teaching of basketry.
