

The Hippie History of Hashish (Paperback)

Filesize: 3.88 MB

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Mrs. Josiane Collins)

THE HIPPIE HISTORY OF HASHISH (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

The HIPPIE HISTORY of HASHISH. This book unveils at last why Western civilization has been terrified by hashish and marijuana for the last 1,000 years -- and conversely, why Islamists are repulsed by alcohol -- as the evil elixir of satan. The OPENING SCENE finds Earthman and his mystical inner Goddess savoring a final sunset together on the Greek Island of Rhodes after a sacred visit to his old meditation cave near the village of Lindos . Silently, Goddess Earthy and I ponder the Turkish mountains. Alas, if we were to innocently smoke a bowl of hashish to spice up the sunset, the ghosts of the Crusader Knights would howl in fear, and the Greek police would imprison us like dangerous, diseased dogs. But if we stick to drinking our tumbler of ouzo, we remain safe and supremely invisible. Why this silly drama? Why this extreme anachronistic cultural chasm between Europe and Asia -- between Rhodes and Turkey -- separated by a lousy 12km across the Mediterranean? To heal this centuries-old cultural wound between Europe and Asia, subterranean sleuths must band together and investigate the history of hashish during the last millennium. Our tale begins in Persia in 1068 AD -- during the warfare between the Assassins of Hashishan and the Christian Crusaders across the vast deserts of Persia and Syria -- all they way to the Lebanese coastline. The HIPPIE HISTORY of HASHISH is written with humor and compassion for all common humans equally -- for both Islamic folks and for Westerners alike. Absolutely transcending all national prejudices, Earthman s historic tale throws a kindhearted, humanistic light on the seemingly endless present-day wars between Islamic militias and Western governments. The...
