Filesize: 3.31 MB

Reviews

Here is the finest publication i have read through until now. I am quite late in start reading this one, but better then never. I am just easily can get a pleasure of studying a created publication.

(Morgan Bashirian)

LAST WRITINGS ON THE PHILOSOPHY OF PSYCHOLOGY: THE INNER AND THE OUTER, 1949-51 V. 2 (PAPERBACK)

John Wiley and Sons Ltd, United Kingdom, 1994. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. In the last years of his life, from 1949 to 1951, Wittgenstein's writings focused upon knowledge and certainty (collected together in *On Certainty*), upon colour concepts (in *Remarks on Colour*) and upon the relation between the inner and outer, that is, between so-called mental states and bodily behavior. His writings on this third theme, now available in paperback, are gathered here for the first time. Wittgenstein's last weeks were a period of high creativity during which his thoughts were on a level with the best he ever produced. His variation on the classic philosophical theme of the relation between mind and body is no exception.
