

Neural Networks for Beginners: An Easy-To-Use Manual for Understanding Artificial Neural Network Programming (Paperback)

By Bob Story

On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Discover How to Build Your Own Neural Network From Scratch.Even if You ve Got Zero Math or Coding Skills! What seemed like a lame and unbelievable sci-fi movie a few decades ago is now a reality. Machines can finally think. Maybe not quite as complex as the human brain, but more than enough to make everyone s life a lot easier. Artificial neural networks, based on the neurons found in the human brain give machines a brain . Patterned just like biological neurons, these software or hardware are a variety of the deep learning technology. With their help you can make your computer learn by feeding it data, which will then be generated as the output you desire. It is they to thank for the nanoseconds in which computers operate. It may be science, but it is not actually rocket science. Everyone can learn how to take advantage of the progressed technology of today, get inside the brain of the computers, and train them to perform the desired operations. They have been used in many different industries, and you can rest...
