Sue and the clones welcome a new clone, Suzanne Theodora Jackson, the newborn daughter of Donald and Denise. When they all visit California to meet the baby, everyone is amazed at how advanced this new generation of clones is. In fact, shes so amazing that Ted Stevens wants to test her DNA. When Brandy posts a video of her new sister online, a clone from the Netherlands sees the video and makes contact. And this is not the only clone outside of the U. S. Brandy learns there are many other clones around the world in addition to herself and her friends and family. She tells Sue about the others, and the two decide to email them to find out as much as they can. Ted learns about the emails exchanged between his clones and the others. Fearing the DHS Committee will discover the messages and consider it a global alien attack, Ted tries to stop Brandy and Sue. He orders them to stop communicating with the other clones. Despite Teds best efforts, the Committee locates the additional aliens on the planet. And they uncover the DNA...
