Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Camille Larson)

SQUARE DEAL: ABSTRACT PAINTINGS

Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.I find making art is an dynamic process: from one moment to the next, one context to the next, one milieu to another, one medium to another. Shifting, changing, making the new and developing a personal language with a sense of grace. I like the end result to be multifaceted and encompass more than one way to reason. My works are not generally very available for compartmentalization. Some of them are abstract depictions. Some originate in fragments of my memory. Many or most originate in the unconscious. Some of them represent only their own form, emerging as poetics of art making. In musical metaphor, then: geometry is gesture, movement is rhythm, harmony is resolution of dissonance and color is voice or instrument. Mood and emotions generated are: joy, tension, ebullience, anger, rage, sadness, blissful and more. Some of my works can be explored from normal viewing distance as well as from an intimate proximity to explore what they have to reveal. What is anticipated may be different than what will be discovered. As the distance shifts and details are revealed or muffled, then images, color fields, forms, textures and rhythms separate or coalesce in the fields of vision. Feelings generated continue to evolve. I like to create work where illusions are unstable and invite repeated explorations by the viewer. Initially, the works provoke a belief in a discovered image, emotion, rhythms and color harmonies. Look away and look again; there will be an entirely new and just as ambiguous structures and feelings. Additionally, the viewer will recreate my work by adapting it to personal frames of reference. The capacity of the work to co-opt existing expectations and be...
