

Get in the Car, Jupiter (Paperback)

By Fisher Amelie

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. WANTED FOR ARSON. CATFISHED AT SANTA S. ROBBED AT THE FALLS. SHAKESPEARE OR DIE. DRIVER PICKS TUNES. I m weird. This isn t news to me or anything. I have lived in a UFO my entire life. This wasn t a coincidence. My parents believe in extraterrestrial life. You know, phone home and all that crap, and they dragged my sister Mercury and I into their mess when they named us what they named us. So it wasn t a surprise, when after getting accepted to UW and expressing my desire to actually attend, they lamented that college is just another ploy for the government to keep tabs on you, man. In other words, we won t be helping you out, Jupiter. That s fine, though, because my best friend Frankie and I can be pretty clever chicks when we want to be. We found a way up there and it was in the form of a longtime crush, his equally cute cousin, and a kickin set of wheels. Buckle up, Buttercup, it s going to be a bumpy ride.
