Tyndale House Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Money, Possessions and Eternity, Randy Alcorn, What does the Bible really say about money? This completely revised and updated version of the classic best-seller provides a Christian perspective about money and material possessions based on the author's painstaking study of the Bible. Randy Alcorn uses the Scriptures to approach this often touchy subject head-on. Thought-provoking arguments challenge readers to rethink their attitudes and use their God-given resources in ways that will have an eternal impact. Alcorn deals straightforwardly with issues of materialism, stewardship, prosperity theology, debt, and more. An excellent choice for group study as well as individual financial guidance. Includes a study guide and appendix with additional resources.
