Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you feel a little sick Sunday afternoon as you realise Monday is only hours away? Are you stuck in your career? Do you feel under-appreciated, overworked, overwhelmed? Are you suffering from unrealistic expectations from your boss? Are you being passed over for promotion? In Surviving Work, Edward Alexander Iftody talks straight about why our careers can spiral out of control and how to get back in the driver's seat. A long-time entrepreneur and cross-cultural business communication coach, Edward shares insights from some of the most popular TED Talks of all time. Through sharing personal experiences and practical strategies for applying theory to real-life business situations, he lays out a practical, step-by-step road map for anyone wanting to love their work again. In these pages you'll discover;1. The real reasons we get demotivated and how we can re-engage with our work.2. How to present the best version of you to improve your reputation with do-workers.3. How to transform conflict into constructive collaboration and team building.If you want to re-engage with your work, improve your professional image, and build a first-class team around you, then this book is for you.
