

A New Course in Reading Pali: Entering the Word of the Buddha

Filesize: 4.44 MB

Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.
(Kristy Dicki)

A NEW COURSE IN READING PALI: ENTERING THE WORD OF THE BUDDHA

Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. Fifth Reprint. This book is intended and serve as an introduction to the reading of Pali texts. For that purpose, it uses authentic readings especially compiled for the purpose drawn largely from Theravada canonical works, both prose and poetry. The reading are in Roman script, and carefully graded for difficulty, but they have also been selected so that each of them is a meaningful and complete reading in itself, so as to introduce some basic concepts and ways of thought of Theravada Buddhism. This book thus offers and opportunity to become acquainted with the ways in which the teachings of the Buddha are embodied in the language, a sense that it impossible to determine from English translations. The book contains 12 lessons. Each of them has three parts: (1) a set of basic readings and an accompanying glossary, (2) grammatical notes on the forms in the less, and (3) a set of further readings with its own glossary. The further readings introduce no new grammatical points, but reinforce ones already presented and give further practice in them. The work concludes, fittingly, with the Buddhas first sermon, The Dhammacakkapavattana Sutta. A cumulative glossary and index to the grammar is also provided. Printed Pages: 229.
