## DECOLONIZATION AND THE DECOLONIZED

University of Minnesota Press, United States, 2006. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. In this time of global instability and widespread violence, Albert Memmi author of the highly influential and groundbreaking work *The Colonizer and the Colonized* turns his attention to the present-day situation of formerly colonized peoples. In *Decolonization and the Decolonized*, Memmi expands his intellectual engagement with the subject and examines the manifold causes of the failure of decolonization efforts throughout the world. As outspoken and controversial as ever, Memmi initiates a much-needed discussion of the ex-colonized and refuses to idealize those who are too often painted as hapless victims. He shows how, in light of a radically changed world, it would be problematic and even irresponsible to continue to deploy concepts that were useful and valid during the period of anticolonial struggle. *Decolonization and the Decolonized* contributes to the most current debates on Islamophobia in France, the new anti-Semitism, and the unrelenting poverty gripping the African continent. Memmi, who is Jewish, was born and raised in Tunis, and focuses primarily on what he calls the Arab-Muslim condition, while also incorporating comparisons with South America, Asia, Black Africa, and the United States. In *Decolonization and the Decolonized*, Memmi has written that rare book a manifesto informed by intellect and animated by passion that will propel public analysis of the most urgent global issues to a new level. Albert Memmi is professor emeritus of sociology at the University of Paris, Nanterre, and the author of *Racism* (Minnesota, 1997). Robert Bononno, a teacher and translator, lives in New York City.
