Charisma House, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. Overthrowing Your Empire of Noise Noise. It s everywhere. Televisions blaring out commercials. Opinions shouted over the radio. The Internet and its unlimited distractions. All of the tasks and choices that you know don t really matter. Always intensifying, becoming a deep part of our everyday cycle, our now hurried lives. But often God speaks to us in the stillness. When Elijah needed to hear from God, God sent a fire, a quake, and a huge wind. But God wasn t in the fire. He wasn t in the quake. He wasn t in the wind. God was in the whisper. But the noise hides the whisper. Life is a dangerous place when we are stripped of our ability to hear God clearly. During His time here on earth Jesus Christ was a master of noise. He balanced time healing, teaching, and feeding the multitudes with regular periods alone with His Father. Static Jedi takes a look at the life of Jesus to help you master the noise and distractions and live in clarity.
