Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A new collection of 30 poems about life, reality and everything. G. Michael Vasey understands the power of the word. In Moon Whispers, he takes obvious care not to convolute a simple message, exercising an economy of words when it is due, to reveal clean, crisp vignettes of his inner landscape. From tantalizing homages to food in 50 Shades of Food to life's more existential questions, as in Touching Emptiness and the quote inspired So What Am I?, readers will be more appreciative of each of their senses and yet wondering what lies beyond what they perceive with them. Dielle Ciesco, author of The Unknown Mother: A Magical Walk with the Goddess of Sound and Your True Voice: Tools for Embracing a Fully Expressed Life Moon Whispers is a tender and beautifully-crafted collection of poems that can touch the deepest layers of our soul. Like the sound of a favorite song on the radio or the recognition of truth in an unexpected place, it brings light and happiness into the heart with every verse. Daniela I. Norris, author of On Dragonfly Wings and Collecting Feathers.
