Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

MACROBIOTICS FOR LIFE (PAPERBACK)

North Atlantic Books,U.S., United States, 2009. Paperback. Condition: New. Original. Language: English . Brand New Book. Macrobiotics for Life presents a complete, holistic approach to health that can be applied to the body, mind, and soul. Combining the concept of a healthy, natural-foods lifestyle with a philosophy of self-love, macrobiotic expert Simon Brown explains how food, exercise, and bodywork can create greater physical health. Written in an accessible, easy-to-understand style, the book takes readers through simple steps beginning with thought, exercise, and diet, and shows how to bring macrobiotic practice into everyday life. Topics include healing the mind (letting go of assumptions and judgments), healing the heart (listening to one s emotions), and healing the body (caring for one s skin, energizing one s organs, and creating a healthy digestive system).Brown offers extensive information about macrobiotic foods--tips for eating out, saving time in the kitchen, dealing with food cravings--and a variety of menu plans to help readers get started, including a time-saver weekly menu. A full range of nearly 100 recipes provides the essential resources for experiencing macrobiotics, and sixteen striking color photographs illustrate meals that are both delicious and nutritious to help readers see the variety of options that are available.
