Reviews

Very good eBook and valuable one. Better than never, though I am quite late in starting reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.

(Brianne Heidenreich)

THREE EARLY MODERN UTOPIAS: THOMAS MORE: "UTOPIA"/FRANCIS BACON: "NEW ATLANTIS"/HENRY NEVILLE: THE "ISLE OF PINES"

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Three Early Modern Utopias: Thomas More: "Utopia"/Francis Bacon: "New Atlantis"/Henry Neville: The "Isle of Pines", Thomas More, Francis Bacon, Henry Neville, Susan Bruce, Thomas More: Utopia/ Francis Bacon: New Atlantis/Henry Neville: The Isle of Pines With the publication of *Utopia* (1516), Thomas More introduced into the English language not only a new word, but a new way of thinking about the gulf between what ought to be and what is. His *Utopia* is at once a scathing analysis of the shortcomings of his own society, a realistic suggestion for an alternative mode of social organization, and a satire on unrealistic idealism. Enormously influential, it remains a challenging as well as a playful text. This edition reprints Ralph Robinson's 1556 translation from More's original Latin together with letters and illustrations that accompanied early editions of *Utopia*. *Utopia* was only one of many early modern treatments of other worlds. This edition also includes two other, hitherto less accessible, utopian narratives. *New Atlantis* (1627) offers a fictional illustration of Francis Bacon's visionary ideal of the role that science should play in the modern society. Henry Neville's *The Isle of Pines* (1668), a precursor of Defoe's *Robinson Crusoe*, engages with some of the sexual, racial, and colonialist anxieties of the end of the early modern period. Together these texts illustrate the diversity of the early modern utopian imagination, as well as the different purposes to which it could be put. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date...
