Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Lulu.com, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Note: this is the perfect bound version of Celebrations. Do you enjoy playing trumpet duets? Playing duets with friends or your private trumpet teacher is a fun way to learn how to play the trumpet. The 101 original duets of Celebrations progress from simple whole notes to expert, professional level duets with a steady graduation of difficulty between the two. The unexpected twists and turns make the book fun to work through, and the diverse styles (including baroque, classical, salsa, jazz, guapango, and African 12-8) keep it interesting. While the music is highly entertaining and enjoyable to play, this 165-page book is about more than just entertainment value. Each of the 101 duets is composed around a particular skill. By the time a musician has mastered a piece, he or she will also have acquired or honed a valuable skill. The Celebrations duet book offers so much value for money: rich entertainment subtly embedded with invaluable lessons and challenges designed to promote musical growth.
