

The Extension, Vol. 2 of 6: Pass on the Torch, November, 1912, the Guide for North Dakota Bird Study (Classic Reprint) (Paperback)

By W B Bell

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Extension, Vol. 2 of 6: Pass on the Torch, November, 1912, the Guide for North Dakota Bird Study The rapidly growing interest in the study of birds has made necessary the preparation of a guide which may serve to direct the many bird observers in North Dakota along the lines which should yield the greatest pleasure and profit to themselves and the largest advantage to the state. It is earnestly hoped also that the pointing out of the way to make a beginning may stimulate others, who have hesitated because of apparent difficulties or obstacles in the way, to enter this fascinating field where so many important discoveries await the alert and sympathetic student. The past decade has witnessed a most remarkable spread of interest throughout the United States in bird life from the relatively few enthusiastic ornithologists to the hundreds of thousands of people who are now coming to know and appreciate birds as never before. This movement is only in its beginnings, however, and the coming decade should see a much wider diffusion of the spirit...

Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

The best pdf I possibly go through. It was written quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
