Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: N/A. Brand New Book ***** Print on Demand *****.Do you love 1950s fashion? Then this is the book for you! Pretty dress designs for the fashionista to color! Bring out the inner designer in you with these beautiful dress designs and mandalas. You get to decide how they look, and choose what ever colors you desire. If you're the type of colorist who likes to complete a project in one sitting then this is the book for you, most designs have been created to finish in an evening, some a little longer, so no more half finished designs that annoy you and nag you to get completed. Loose yourself in the designs and develop that peace and harmony that adult coloring books can give you. All dresses in this book are hand drawn with no digital enhancement to stay within the theme of the main era of the 1950's the artist is representing. The Mandalas were created using a mixture of both hand drawn and digital and represent a dress with a full circle skirt. Included are fantasy styles and couture gowns. There are 35 single sided drawings with bonus drawings from the artist's next book. Created with love by Collette Renee Fergus, a New Zealand Artist .
