Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A stunning and revealing historical rediscovery of an enigmatic ancient people. A people wrangled away from their simple lifestyle with promises of a luxurious future from a mysterious stranger. While cautiously following him on their difficult journey to prosperity, they are instead mercilessly pummeled into hardened, battle-ready soldiers to annihilate six unsuspecting nations. How could they escape this destiny with destruction against one who possessed superior weaponry, aptitude, and intelligence? Follow this lost tribe as a leader emerges and devises an unbelievably cunning plan to save his people. A plan so remarkable it had never been heard of before, nor tried since. The author utilizes actual dialogue and accounts from ancient texts. His meticulous research, striking analysis, and hard-hitting conclusions take the reader to forbidden places no author heretofore has dared reveal. Continue the discovery of the ancient world with an amazing, thought-provoking encounter by means of a strange creature in the forest. An encounter historically confirmed by ancient Greek, Babylonian, Canaanite, Roman, and Hebrew sources, as well as the Holy Bible. Inspired by this enlightenment in the forest, the leader learns how to disguise his written accounts so that his leather parchments would survive while so many other ancient writings have been barbarically destroyed. The First Supper delivers an understanding into how the world would become so violent in those ancient days, making the bloody sacrifices of Christianity's Last Supper necessary. Who was this leader who boldly changed the course of the world? Why has history forgotten his name and deeds? With this rediscovery of true and accurate ancient writings, the original story's meaning is beautifully reassembled. For the first time in over 3,000 years, the truths within the ancient...
