Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Peaceful Self By Kurt T. Kopf The Peaceful Self is a book about finding The Peaceful Self that you already have residing within you. The Peace and Serenity that you d wished you could be experiencing right now, instead of the chaos and drama swirling around inside your head. Where is the solution, where are the answers, how do I get off this merry-go-round and stop spinning? All of these questions are the manifestation of a painful life experience that focuses on the disturbance rather than its source, and are essentially leading you to place where the answers arrive. The answers may have already come to you naturally, but you may have not had the proper vision to see them with at the time. Perception will be the cement that binds that which blocks us from see truth and experiencing peace in our life. What you perceive will be determined not only by what you think and believe, but also by what you want to believe and think and see. As a man thinketh so shall he perceive, your mind will create the form necessary to develop your inner world within your external environment. This can be good, if you re consciously aware of this and have a goal that matches your core principals. Or, this could be bad, if you re unconsciously floating and drifting around wondering aimlessly throughout the universe with no rhyme or reason for your being. If you haven t found your purpose and your goals are all short term preferences not grounded in any set standards built on firm principals that strengthen your spiritual journey. Every act of self-will will be just another reminder...
