WASHINGTON: LESSONS IN LEADERSHIP

[DOWNLOAD](#)

Palgrave MacMillan, United Kingdom, 2011. Paperback. Book Condition: New. Reprint. 201 x 127 mm. Language: English . Brand New Book. Before he became the Father of our Country, George Washington was the Father of the American Army. He took an army that had no experience, no tradition, and no training, and fought a protracted war against the best, most disciplined force in the world - the British Army. Deftly handling the political realm, he left his mark with a vision of the Revolution as a war of attrition and his offenses which were as brilliant as they were unpredictable. In Washington, award-winning author Gerald M. Carbone argues that it is this sort of fearless but not reckless, spontaneous but calculated, offensive that Washington should be remembered for - as a leader not of infallibility but of greatness.
