Brand New Book ***** Print on Demand *****.It was a decade ago when my eyes met a Tagore s poem in a magazine! The poem walked away with my soul, heart, blood and flesh, right from the very first line! It was my first encounter with a knock-down caliber of poetry! To quote my own words describing this sweet accident in my life: My life sacrificed my heart, To the dancing poetry Of your musical limbs, At a breath-taking turn, Lapsed into a lush green dream! Further venturing into his poetry, I became speechlessly curious about the secret formula he employed, making every single one of his poems smile with a breath-taking quality, right from the opening line. There was always a silent spiritual under-current throbbing underneath his every line, rewarding the reader with a sublime experience of spiritual enrichment, apart from gratifying senses! As I explored works of more authors, Khalil Gibran and Chekov appealed to my heart for having reached the similar heights. My poem Poetic Story in this collection highlights how these giants have captured my heart in their own characteristic manner. Why should a research engineer usually immersed in savoring the joys of mathematics and technology get interested in poetry and short-stories? Because, it fascinated me to crack the mystery behind the alluring appeal of great literary works and tried to fit it in a rule based fuzzy algorithm to understand the source of its magic. I tried to replicate this algorithm in my own humble manner and started writing poems for the last few months, initially only to verify my algorithm. To my surprise, my poems drew exciting response from the general crowd on the net, with some of them...
