## THE LITTLE BOOK (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.An unflinching deconstruction of the Gay Power Movement from its inception one summer evening in 1948 to the present. The Little Book is a comprehensive explanation of the challenge that gay empowerment poses to traditional heterosexual culture. Meet the gay activists who are against gay marriage; meet the gay Ph.Ds who debunk the notion that gays are born that way. Learn why homosexuals are not a minority as defined by the 1964 Civil Rights Act. The Little Book is a guidebook, a history and an organizing manifesto. It is a visionary restatement of what is really at stake in the struggle to preserve our traditional human culture.
